

HOME BEHAVIOR SCALE

For each statement think about how often that statement is true about your child. Circle the number that best applies to your child using this scale.

Never/Almost Never True 1	Seldom/ Rarely 2	Occasionally/ Sometimes 3	Often/ Usually 4	Very Often/ Always True 5
---------------------------------	------------------------	---------------------------------	------------------------	---------------------------------

If a statement does not apply to your child or family (for example, there are no brothers and sisters), leave it blank and write N/A (not applicable) next to each item.

	Almost Never				Always
